Council Tax **FROZEN**

Edition 16- Spring 2012

In recognition of the continuing economic squeeze that everyone is feeling the Parish Council have once again frozen their precept - that is the amount

they ask Bolsover District Council to provide from the Council Tax income.

This is the third year running that the Parish Council have held this figure at £134,312. Since 2009/2010 this has meant that, in real terms, the amount that you pay in your Council Tax towards the parish council precept has actually been reducing by a few pence per year.

Despite this the parish council are still committed to providing you with a good service. We strive to maximise the benefits to parishioners with the monies we have at our disposal by seeking out the best value when we undertake any project, and carefully considering the financial implications of all that we do.

COINS FOR THE KIDS

In celebration of the Queen's Diamond Jubilee the Parish Council are happy to announce that they will be distributing **'Diamond Jubilee Coins'** to the children of Tibshelf Parish

BEFORE

AND AFTER

What a difference a bollard makes!!!! - well 25 to be exact. The installation of the bollards on High Street has made a huge difference to this area. The Parish Council worked alongside Bolsover District Council, who owns the land, and Derbyshire County Council, who installed the bollards, by pushing for this work to be done and by making a financial contribution towards it.

CHRISTMAS TREE PLINTH/PLANTER

After much deliberation and following an exceptionally generous donation of £1000 from a resident (who wishes to remain anonymous) the Parish Council have determined that the planter on High Street should be faced with an outer skin of wood which will, we trust, provide a much more attractive focal point in the centre of the village. Many residents commented how happy they were to see the natural Christmas Tree return to the village and we certainly plan to repeat this for Christmas 2012.

BIKE TRACK

The Parish Council are still actively pursuing a site for a bike track in the parish. Preliminary discussions have been around the possibility of an area of land at Doe Hill Country Park which has been pinpointed as ideal in many respects.

Current hold-ups are due to uncertainty over the ownership of the land. The Parish Council have identified money in their budget for 2012/2013 to move this project forward. Watch this space

STOP PRESS: The Owner has been found, is supportive and discussions are underway !!

SHETLAND ROAD RECREATION AREA

The Parish Council are currently considering a programme of works on the trees around the recreation area. We have also laid money aside in the budget for some essential refurbishment work at the pavilion. Unfortunately to date we have not managed to attract a new cricket team on to the field.

CCTV

The Parish Council are committed to providing a CCTV network in the village and are working in partnership with Bolsover District Council who are currently undertaking the tender process. Consideration of submitted tenders is due to take place after the end of April. We will keep you posted.

There have been an increasing number of reports of fly tipping around the village. If you do witness this happening please help the en-

forcers by passing on as much information to Bolsover District Council as possible(01246242424 or www.bolsover.gov.uk) Bolsover District Council also provide a bulky waste collection for large/bulky items that cant be placed in your household bin

General

1 - 3 items = £10

4 - 6 items = £15

7 - 9 items = £20

10+ items = a quote will be

made with a minimum charge

of £30

Waste Electrical Equipment

1 item = £10

2 items = £15

5 items = £30

OR you could take them to Bolsover Household Waste Recycling Centre, Buttermilk Lane, Bolsover S44 6AE. The site is open every day (except Christmas Day, Boxing Day and New Year's Day) from 8.30 - 6.00

ITS FOUL!!!!

This is not the only time you are going to see this poster. No prizes for spotting several of them appearing around the village.

We appear to have a major problem of dog owners allowing their dogs to foul all manner of open ground from the play areas and recreation grounds to the footpaths and people's front-ages and leaving their dirt behind for someone else to clean up - or more likely tread in.

Dog faeces is dangerous - particularly to children - it causes an eye condition which can and does result in blindness.

Dogs are not allowed on the recreation ground at Shetland Road but, despite this, each time the footballers use the area they have to undertake a major operation in clearing excessive amounts of dog fouling from the ground.

Dog owners are responsible for clearing up after their dog and face a fine of £1000 if caught. The dog warden is making regular visits to the area but if you know of anyone who is flouting the law and leaving the mess for the rest of us to walk in - then let us know - contact the Parish Clerk who will pursue it with the information available.

Get your FREE dog fouling bags from Tibshelf Village Hall and dispose of them in the bins provided

'A CHANCE FOR YOUNG PEOPLE TO GET INVOLVED'

The search for Youth Councillors to serve on the new Tibshelf Youth Council has been intensified with posters, sign-up sheets and statements being read out at Tibshelf Community School over the last month. We want to gauge the level of interest from young people within the parish which will then determine if a parish-wide election is required, or if those who have signed up can be placed straight on to the Youth Council. It is hoped that final numbers will be known at the end of April.

The Youth Council project has the potential to allow younger members of the community to have power and influence over how decisions that affect them are taken and what the outcomes are. *The Youth Councillor role will involve: Attending Youth Council meetings: Creating the Youth Council Constitution: Coming up with original ideas to make the village a better place for young people,; The opportunity to become Chair of the Youth Council: Being invited to attend Tibshelf Parish Council Meetings: Responding to the needs and concerns of young people within the parish: Responding to ideas and questions that the Parish Council may put to the Youth Councillors*

This project is an exciting opportunity for younger members of the community to have real power. There is potential for the Youth Council to be given a mini-budget that will allow Youth Councillors not only political power, but financial power which is hoped will improve the lives of young people and all residents of the parish.

If you are between the ages of 11-17, or know somebody who is and would like to be on the Youth Council, please contact the Tibshelf Parish Council Clerk Ruth Price by either e-mailing her on theclerk@tibshelfparishcouncil.gov.uk, ringing the office on 01773 875093, visiting the office in person or sending a message on the Tibshelf Parish Council Facebook page.

Bolsover Olympic Celebrations - Parade

As many people will already know - Bolsover has been chosen as one of the districts through which the Olympic Torch is going to pass. It's route will go through through Glapwell & Bolsover on Friday 29th June 2012 in the morning.

Bolsover District Council would like to take the opportunity to celebrate this historic event & London 2012 by hosting a full day of activities, engaging as many local residents, schools & communities as possible. One of the key features of the day will be a parade around the town where District parishes and Schools "fly a flag" for their local community. Schools students will be making Olympic medals to wear on the day as well as designing and making an Olympic Torch and designing a flag.

The Parish Council is also tasked with **Decorating a flag** to represent their community in the parade. We are very eager for individuals and organizations to become involved with this task. Anyone interested should contact the Clerk **BY NO LATER THAN 11TH MAY 2012** , who will arrange a get together to get the project moving .

We then need to select up to 75 representatives from our area to represent Tibshelf. (All schools are also being asked separately to put forward 75 representatives). This number must include parental or adult supervision for minors. This could include representatives from uniformed groups ,local community groups ,proactive individuals or businesses. We are therefore asking for anyone interested to nominate themselves and places will be randomly selected if there are more nominations than places available.

2 flag bearers will then be nominated to lead Tibshelf's community section

TIBSHELF COLLIERY N°3 RESCUE TEAM

SEARCHING FOR TIBSHELF RELATIVES

The Clerk received the following e mail from Mr Michael Ward. We thought you would find the article interesting and may even recognise the names and be able to put Mr Ward in contact with them.

The following article which I came across just recently whilst looking into my family history started to bring back some memories of what my mother told me many many years ago, here is the article in question, it is about Percy Adams who tried to save some boy scouts from drowning in the river Tweed in the 1930s:-

Percy's older brother Horace William (buried in Tibshelf) paid for the funeral and donated the £50 award from the Carnegie Hero Fund Trust to the local church to buy a new altar. Horace had some sort of small grocery shop possibly in Tibshelf as well as being a coal miner. At the time of his death, Percy had a house at 11 Brooke St, Tibshelf. In 1891 Percy's father John William Adams a coal miner aged 24 was living at 73 St Thomas Row, Tibshelf with his wife Margaret aged 27 and children Kate aged 2 and Thomas Wilfred aged 1. Horace was born c1892 and Percy was born c1906 so there may have been more children born between them? Hopefully, Percy's living relatives will be found as the author (Dave Butters) wishes to give them 2 photos of Percy and copies of newspaper reports and the Carnegie report relating to Percy's heroism. Percy's older sister Kate is my grandmother who I never knew as she died when my mother was only 13 years old & Percy is my great uncle, I am trying to get in touch with the author of the article Dave Butters if this is at all possible and I wondered if anyone from publishing the article back in 2000 I believe, has any email address or phone number where I could reach him or I would be most grateful if it were possible to pass on this message to him.

As a by the way moment, Kate married Frederick Cottam who worked at Tibshelf No3 colliery and here is a photo of him and the rescue team Fred is standing back left, I have no idea when this photo was taken, many thanks for taking the time to read this, I do hope that you can help me, kindest regards ,

Michael Ward, age 65 [Warsop Notts.]

UNDER THREAT !!

Would you like to help young people in your local community have fun?

Tibshelf has had a thriving Scout group for many years. Boys and girls from the village and surrounding area have attended Beavers, Cubs and Scouts where they have learnt new skills, experienced exciting challenges and had lots of fun. Sadly the opportunity for young people to experience everything the Scout movement has to offer is under threat due to a lack of adult volunteers - Beavers had to close a year ago and on 26th March the Scouts also folded. The Cubs are also struggling to keep going. There is a waiting list of children keen to join but a lack of adults prepared to support the continuation of the groups. The Leaders that remain are keen to support anybody willing to come along and give it a go. Training is given at no cost to the individual, there is no monetary reward but the personal rewards of seeing young people flourish, gain from new experiences and skills is very rewarding. If you have a few hours to spare, would like to see Beavers, Cubs and Scouts continue in the village and are willing to give it a try please contact Julie Lovatt on 07933 261152

TAKE NOTE are a new and friendly mixed four part choir, meeting in Tibshelf Church Room each Monday evening between 5.00 and 7.00 p.m.

Our varied repertoire has something for all tastes. If you enjoy singing and would like to join us, then why not come along and have fun whilst broadening your musical horizons

TIBSHELF TIGERS FOOTBALL CLUB

Tibshelf Football Club is a FA Charter Standard Club affiliated to Derbyshire County FA and exists to offer an opportunity to anyone within the community of Tibshelf and surrounding areas to play soccer within an organised club. In line with FA requirements we have a qualified Child Welfare Officer who ensures that the Club complies in all respects with all requirements of Child Protection measures to ensure a safe environment for the Children to enjoy their football. All coaches have gained at least FA Level 1 coaching qualifications.

If your child is interested in playing football with Tibshelf Tigers FC, we run the following Teams:

TEAM	MANAGER/S
Seniors	Brian White
U16	Danny Tate
U13	Gareth Reilly
U12	Martin Barber
U10	Steve Clemence/Phil Rodgers
U9	Nick Beastall/Tim Beardstall

We are always looking for New Managers and Assistant Manager to help run new teams and we currently have enough youngster training with us to create an Under 8 team, so if you are interested in running this team please get in contact with us.

Tibshelf Tigers also want to set up a girls team and are looking for both players and a Manager!!!

On the non-playing side, the Committee really, really could do with new faces with fresh ideas to come and help the club fund-raise and help development the social side of the Club, particularly non-footballing events for the more junior teams .

Any who is interested in helping or wants more information on the teams please contact Brian White – Chair or Tracey White - Secretary on 01773 831561.

Tibshelf Village Carnival

Tibshelf Community Association is proud to be organising this year's Tibshelf Carnival and hope you will be able to join us and enjoy an entertaining day for all, to celebrate real community spirit and village life.

The date of the Carnival is Saturday 21st July 2012 and will be held on the Parish Sportsground.

The Carnival will commence with a parade through the village followed by entertainment by DJ's, a fun fair, various shows and a variety of stalls held by local organisations and individuals.

If you are interested in entering a float, or sponsoring a Carnival Event, or helping out in any other way then rest assured you will be welcomed with open arms! We cannot have too many willing volunteers, e.g. stewarding events, crowd marshalling ... and the fitter amongst you could help set up the marquees, it really does do wonders for your physique!

Some organisations may prefer to walk in the parade but we are lucky enough to be able to borrow several trailer floats for the parade so if you're a local club, organisation, school, company, a group of friends or just an exhibitionist with a fancy dress suit who wants to be involved in the fun please get in touch.... the bigger the parade, the better!

Pitches are available for hire and stall holders are welcome.
