

Statement on COVID-19

Last Updated: May 2021

Following advice and directives from Government, the Council made the decision to close the Village Hall, Pavilion and Parish Meeting Room to user groups and hirers on Monday 23rd of March 2020 until further notice. They have now been reopened to user groups and hirers. As of Tuesday 21st of July 2020, the Parish Council decided to reopen the playgrounds on Shetland Road and Lincoln Street, and the exercise equipment, subject to social distancing requirements and other protective measures. All other facilities are being constantly reviewed until such time they are safe to reopen.

The cemetery on Doe Hill Lane and the Shetland Road recreation field do remain open at this time. However, residents should practise social distancing at all times when using these facilities.

Parish Council meetings had initially been suspended, followed by being held on Zoom and in a hybrid format. From May 2021, we must hold meetings in person at the Village Hall. Protective measures are in place for those attending. All Parish business is continuing and should any resident have concerns or matters they wish to raise then please email the clerk at theclerk@tibshelfparishcouncil.gov.uk or call 01773 875093.

All Council staff will continue to work, where it is practical to do so whilst ensuring staff wellbeing and welfare. The Clerk will continue to work partially at the office and at home, the Communication and Projects Officer is working remotely from home, and the Administration Assistant is working in the office Monday, Tuesday and Wednesday until 1pm.

Updates will be made on the Parish Council website and Facebook page as appropriate. Thank you for your co-operation and please stay safe and healthy.
