4 To approve the draft minutes of the Steering Group meeting of 25 January

Cllr Beckett proposed, Cllr Watson seconded and it was agreed that the minutes be accepted as an accurate record.

5 To review the Regulation 14 (i) Consultation Plan and (ii) statutory/other agencies mailing list

A Towlerton tabled drafts of these documents, which were agreed after some minor changes. The Clerk will propose some available dates for the proposed exhibition in the village hall (commencing from the start of the Easter school holidays (9 April)). A Towlerton will check with C McKinney (Bolsover DC) that the mailing list is fully correct.

6 Strategic environmental assessment screening

A Towlerton explained that this mandatory requirement needs to be commenced prior to the Regulation 14 consultation. He would arrange for it to commence imminently.

7 Supporting evidence and background documents

There was a discussion as to which documents will be formally part of the Regulation 14 Consultation, and which will be provided to the public for information only but not for formal consultation. A final decision on this was deferred (the Clerk will ascertain from DCC the latest predicted timescales for progressing decisions re their New School project).
