

ANNUAL REPORT – 2021/22

CHAIRMAN'S REPORT

Dear Residents,

At the Annual Meeting in May, I was elected as Chair of Tibshelf Parish Council for this Civic year, and so, in keeping with past editions of this newsletter, I am writing this Chair's address. However, this will not feature in future editions.

The role of Chair at a Parish Council is essentially that of a figurehead, and other than chairing meeting and the responsibility to act to ensure safety in the event of an emergency, the Chair has no individual authority.

Tibshelf Parish Council is a democratically elected body of 11 members, so all the work it undertakes and all the decisions it makes should be through the proper democratic processes. In the coming year I, along with my fellow Councillors, would like to see Tibshelf Parish Council review its working processes to ensure sound financial planning in order to bring the best value for money, for you, the people of Tibshelf, whose Council Tax pays for the services we provide.

At a time when there is an unprecedented rise in the cost of living, this is of course increasingly important to us all, and as a Parish Council, we must ensure that we support all sectors of our community equitably.

From all 11 members of the Parish Council, we hope that you have enjoyed the jubilee celebrations which have taken place in the village in this the Queen's Platinum Jubilee Year, and that with the lockdowns behind us you can continue to enjoy community events and facilities in our village.

Best wishes, Cllr Ray Heffer
