Coming Soon: Community Cafe to Open at Tibshelf Village Hall

A new Community Cafe will open its doors at Tibshelf Village Hall, offering residents the chance to grab a drink, have some food and chat with friends

Served from the recently renovated kitchen, we are happy to share plans to have a Community Cafe at Tibshelf Village Hall, run by dedicated volunteers.

The Parish Survey 2025 showed a strong support for a cafe in the village and we wanted to fill that demand and create one ourselves. This will be another opportunity for residents to come together, enjoy a cup of tea, have some food and socialise with friends.

The Village Hall prides itself on being at the heart of the community and this will be another service we offer that adds to village life and makes even more use of the Village Hall as a community space.

Plans are currently taking shape, so we can't reveal too much yet. More details will be shared in the coming weeks and months, including opening days, times and what's on offer! Please keep an eye on our Facebook, notice boards and the Spring Edition of Tibshelf News!

If you **would like to volunteer** and help run the cafe, please get in touch with the Parish Office.

Tibshelf Treated to its First-Ever Scarecrow Festival

Residents walked the Scarecrow trail, collected stamps and visited the Scarecrow Market during the first-ever Scarecrow Festival in Tibshelf

Organised by the Events Committee, throughout the week of Saturday 5th September to Saturday 12th September, Tibshelf residents could walk the scarecrow trail and see the incredible displays put on by neighbours, businesses and local groups. Then on Saturday 12th September, Tibshelf Village Hall held a Scarecrow Market, full of stalls selling knitted toys, books, handmade bath & body, glitter tattoos and much more.

Winners of the Scarecrow competition are:
Best Resident - David Alvey, Townend Farm
Best Business - Hers n Sirs
Best Local Group - (Jointly) Squirrels, Beavers, Cubs and Scouts
Special Award - Leona Harrison

We would like to thank the Events Committee of Tibshelf Parish Council, including Cllr Helen Varney, Cllr Sue Wood, Cllr Allison Beckett, Dawne Gibb, Wayne Kingscott on the day. Also to Sarah and Amelia for doing the raffle and tombola! Thank you to everyone who attended, had a stall and donated a raffle prize. We made £301.60 for Tibshelf Village Hall. We also received some lovely comments, including people who really enjoyed the trail, people wanting to enter next year and Bertie who who had a brilliant time making his own scarecrow at the Market!

Call for Local Acts: TibFest 2027

The Events Committee are calling for local acts and groups to join our line-up and perform at TibFest 2027!

Following the success of TibFest 2026, the Parish Council's music festival, it will be making a return on **Saturday 19th June 2027** and the Events Committee wants local talent to entertain the crowds!

Are you a local tribute act, indie band, solo singer, acoustic duo or anything in between? We want to hear from you to help us make TibFest the best experience it can be for visitors and vendors alike!

To express an interest in being part of the event, please contact the Parish Office on **01773 875093**, email **theclerk@tibshelfparishcouncil.gov.uk** or pop in to the office at Tibshelf Village Hall, 110 High Street, Tibshelf. Including video or audio of you performing would be desirable.

You can use backing tracks or live instruments on the day. The Events Committee will provide the PA and lighting and assist with all technical needs.

"Past years have shown Tibshelf is brimming with talent, so we want to tap into this again for another great lineup of acts! Let us know if you can perform.

Cllr Justin Gilbody
Chair of Events Committee

New Parish Council Website Under Development

In 2027, the Parish Council's website will be 10 years old. New features, better accessibility and a visual improvements are behind the drive for a new one

First going live in September 2017, the Parish Council's website has been an important source of information for residents, staff and groups.

However, it was created one year before the Web Content Accessibility Guidelines (WCAG) came into effect in 2018. We've done our best to be compliant, but with more WCAG rules being added all the time, it became clear a new purpose-built website is needed to meet the demands of today and further rules in the future.

This project is in its early stages, with a provider being selected at the September 2026 Parish Council meeting, but we expect it to be up and ready by early 2027. Along with improving accessibility, new features could include online payments, online Village Hall booking, online event tickets and use of video montages.

"The new website will allow us to better fulfil our legal obligations, but also have modern features that let us communicate in a clearer, better way.

Mark Scarborough
Communication and Projects Officer

Community Litter Pick a Success in Tibshelf

Tibshelf Neighbourhood Watch launched 'Tibby Pick' one year ago and has seen it grow in numbers and collect 3 tonnes of litter!

The first litter pick was held in September 2025 with the aim of holding monthly sessions to keep on top of litter. One year on, we can report it's been a brilliant success and has collected nearly 3 tonnes across the picks and individuals. Thank you to everyone who has volunteered and to Bolsover District Council for the equipment!

The Neighbourhood Watch wants to take this one step further and has developed a **Littering Strategy** to try and reduce litter being dropped in the first place. We cannot tackle this problem alone and the strategy allows us to approach local organisations and businesses to try and install more bins, get more frequent collections, share messaging and even encourage staff to litter pick outside their premises! This has already begun and staff at Roadchef (Tibshelf Services) will be litter picking in and around the service station.

We meet every 3rd weekend of the month (except in Winter)

Check our social media and the Parish Council website for exact date and time.

You **do not** need to be a member of Tibshelf Neighbourhood Watch to take part!

Brilliant Testimonial Received for Village Hall

We hired the Hall for my daughter's 18th birthday and we honestly couldn't have asked for a better evening. The Hall was perfect for the celebration and we all had a fantastic time.

I also really wanted to give a special mention to the bar staff who were working that evening. They were absolutely amazing from start to finish! So friendly, welcoming, helpful and genuinely went above and beyond to make sure everything ran smoothly. Nothing seemed too much trouble, and their lovely attitude really helped make the evening even more enjoyable. It makes such a difference having people there who are so helpful and approachable, and I really appreciated everything they did for us.

We had an absolutely brilliant time and would happily recommend Tibshelf Village Hall to anyone looking for somewhere to hold a celebration"

- Tracey (August, 2026)

The bar is run by brilliant volunteers and all proceeds go to the Village Hall charity for upkeep of the facility.

Updated Logo

TIBSHELF VILLAGE HALL

At the heart of the community

We are pleased to announce Tibshelf Village Hall has a refreshed, updated logo to complement the modernisation of the building.

The changes include a new shade of mint green, removal of the white underline, addition of a white border and a strap-line in a cursive font.

This refresh keeps within the spirit of the original logo, while allowing it to be brighter, clearer and more suitable for modern communications.

This was designed in-house and we have no plans to replace the sign on the outside of the Hall.

Tibshelf Scouts Celebrate 50 years at the Mission

3rd Tibshelf Scout and Guide Group held a Spring Fair at the Mission to celebrate 50 years calling the venue their home

It has been 50 years since 3rd Tibshelf Scout and Guide Group made The Mission our headquarters.

Back in 1973 Ivan Brentnall, the then Scoutmaster, realised the local authority were intent on pulling down the Mission as part of the re-development of St Thomas' Row. Ivan approached Blackwell Rural District Council about acquiring the property. After much negotiations we took possession and after lots of hard work, it was opened for use in 1976.

We had a celebration for the anniversary on the 4th July inviting lots of our past leaders and members of our units. We had a BBQ and we were entertained by Tibshelf's very own band 'Heritage' on their debut performance.

UPDATE ON JACKIE, OUR DIGITAL RECEPTIONIST

Some time ago, we introduced Jackie, a digital receptionist, to help us answer your calls more quickly, especially first thing in the morning, when our phone lines are busiest and many of you have told us about long waits and engaged tones.

What Jackie Does

When you call us about certain things, i.e., booking an appointment, requesting a sick note, or arranging routine care such as a medication review or blood tests, Jackie may answer the phone. She'll ask you a few simple questions, make a clear note of what you need, and pass it straight to the right person in our team.

Two things we'd like you to know:

- Your call is answered straight away: no hold music, and no waiting in a queue.
- You can always speak to a member of our reception team. Just ask at any point during your call, and Jackie will pass you to a member of our Reception Team.

How it's Going so Far

In May 2026 alone, Jackie answered almost 2,000 calls for the practice, every one of them picked up immediately. That freed up more than 50 hours of our reception team's time, which they've been able to spend supporting patients with more complex needs and helping the people in front of them at the desk.

We also asked patients to tell us how they found it. Two thirds rated their experience 4 or 5 out of 5, and many left kind comments:

"Excellent experience. Clearly understood all answers, even when they weren't clear or straightforward. Confirmed answers before submission."

"I sighed when the AI tool came on, but it was surprisingly quick, responsive and accurate."

"Very helpful. Saves time. Great service."

We're Still Learning

Jackie won't be the right fit for everyone, and we know that. Some of you told us you'd simply rather speak to a person, and a few found you had to repeat yourself or felt a little rushed. We're grateful for that feedback, it's helping us improve how Jackie works, including making it clearer and easier to reach a receptionist whenever you'd prefer.

If you ever want to speak to a person, you'll always be able to, just ask to speak to a receptionist at any time during your call.

Your Care and Your Privacy

Jackie is here to help you get through to us more easily, not to replace the care you receive from our clinical team. Anything urgent is passed to a clinician in the usual way, and the information we look at to check how Jackie is performing is anonymous.

Thank you for bearing with us as we try new ways to make contacting the practice easier. As always, if you have any feedback, we'd love to hear it.

PATIENT PARTICIPATION GROUP

Our next patient participation group meeting will be held on **Thursday 15th October** at St. Alban's, Heath Road, Homewood, from 2:30pm. We welcome new members, so please do join us. Contact the surgery if you would like more information or just pop along to the next meeting to see what it's all about.

TEAM UPDATE

We welcomed five new resident doctors to the practice in August. They will be with us until December 2026. We have the following Foundation Year 2 Doctors: Dr Suresh, Dr Audu-Ohwavborua, Dr Thompson, Dr Sajit and Dr Suresh. Dr Elgharmool, an ST1 doctor, will be with us until April 2027.

We also look forward to welcoming Dr Allen and Dr Al-Bazi who will be joining us permanently in September 2026.

Winter UPDATE

Tibshelf Open Gardens

At long last, the sunshine joined us - and what a difference it made. Fifteen wonderful gardens opened their gates this year, each one offering something unique, and visitors shared countless positive comments throughout the weekend. After expenses, the event raised £2,750, a fantastic boost towards our ongoing electrical upgrade.

Next year marks the 30th Anniversary of Tibshelf Open Gardens, and we're already dreaming big. Watch this space - we'd love the whole village to be part of the celebration.

Electrical Work

Our major electrical upgrade is now underway and expected to be completed by September. Following our five-year inspection, we were required to replace the Distribution Board and carry out additional essential work - a project costing nearly £5,000.

This investment will ensure our building remains safe, efficient, and ready to welcome the community for many years to come.

Coffee Mornings

Coffee Mornings continue to bring people together on the second Sunday of each month, from 10am - 12 noon. They remain well supported - a friendly space for conversation, a cuppa, and the occasional competitive game of dominoes.

Christmas Tree Festival

This year's Christmas Tree Festival will take place over the weekend of 28/29 November. We welcome any group, business, or individual who would like to take part truly, you can never have too many Christmas trees. To add to the fun, we'll be hosting two Craft Evenings on 11 November and 18 November to make decorations. And for those handy with knitting needles or a crochet hook... there may be a little festive yarn bombing in the works. More details soon.

Tibshelf COMMUNITY AWARDS

Tibshelf Community Awards recognise, acknowledge and celebrate residents of Tibshelf who have demonstrated a commitment or have gone above and beyond through volunteering, raising money for charity, caring for someone or through other outstanding contributions to village life. Nominations are made by members of the public and winners are selected to feature in each edition of the newsletter.

Stephen Rye and Karen Martin

Stephen and Karen have shown incredible generosity and help towards the Parish Council, other organisations and causes in the village. This includes, but is not limited to, paying for the repair of the Church's lychgate, contributing to the installation to CCTV on the Shetland Road play area, purchased laptops and iPads for Town End Junior School, offering to buy village defibrillators, donated towards the Parish Council's Music Festivals, as well as working to restore out-of-use buildings, improve existing ones and bringing new facilities to the village like RS Fitness gym. These are just the acts we know of, with no doubt more happening in private.

We would like to thank Stephen and Karen, along with DRL Lettings and Cassie who runs the last remaining traditional pub in the village, for going above and beyond for Tibshelf. Without the range of generosity listed above, many of those projects will not have happened or suffered significant delays as other sources of funding were found.

Would you like to nominate an individual, group or business from Tibshelf for a Tibshelf Community Award?

Nominations are accepted by residents of Tibshelf. Please write to the Parish Office using **theclerk@tibshelfparishcouncil.gov.uk** with a paragraph explaining why you think your nominee deserves a community award! Successful nominees will feature in the next edition of Tibshelf News.
